

# Canine Assisted Therapy

Joanne Baker/ bakerj@righteouspups.org.au

## SERVICES

Righteous Pups Australia Inc. provides canine assisted therapy at our training centre, at the client's home or out and about in the community.

Our focus is to improve the social, psychological and cognitive functioning of our participants through goal directed interventions.

We have provided canine assisted therapy since 2003 and worked with participants of all ages and abilities.

## SERVICE LOCATIONS

### OUR CENTRE

1174 Calder Alternative Highway,  
Lockwood, Victoria.

*\$193.99 for hour session*

### CLIENT'S HOME

Within the City of Greater Bendigo and surrounds.

*Costs: 193.99 per hour (plus travel expenses)*

### OUT INTO THE COMMUNITY

Creating social inclusion in a low stress capacity.

*Costs \$193.99 per hour (plus travel expenses)*

## OUR TEAM

Our therapeutic team consists of two professionals - therapist/ education specialist/ dog trainer and a highly trained therapy dog.

Dogs have a great ability to mirror a participants emotions and behaviours providing immediate feedback for both the participant and the practitioners, creating opportunities for growth, change and improved quality of life.
